

SOLICITATION FOR SERVICES
CS 09-007-BJS

Recruiting applicants to reside in, and provide security services in, designated County parks. Selected applicants may be responsible for providing their own mobile home or residing in a County owned residence depending on location. Utility services and lot rent are provided by the County. Grounds maintenance, campground maintenance or law enforcement experience are preferred, however other applicants will be considered. Selections will be based on availability and specific requirements of each location. Selected applicants will be required to sign a contract with the County. Duties and responsibilities may vary depending on location, but generally include providing park security services, grounds maintenance, fee collection and janitorial services in a County park. Compensation included for some locations depending on the type of services required. If interested, please fill out the information below and send to Polk County Procurement Division by email to jeremymattingly@polk-county.net or fax at (863) 534-6789.

The information will be forwarded to the Parks and Natural Resources Division.
