

Benefits of Volunteering through RSVP Polk

Free Personalized Placement:

We are different from other volunteer organizations, because we concentrate on the talents and desires of the volunteer. We take what volunteers want to offer and match them to an organization that needs that skill and type of service. This way both the volunteer and the organization are winners.

Satisfaction guarantee:

If a volunteer placement does not work out, we work with the volunteer to find a more suitable placement. We strive to maintain the positive attitude of the volunteer, reassuring them that it is okay to seek a reassignment.

Monthly Newsletter and Events:

RSVP Volunteers are sent a monthly newsletter with information about volunteering, community events, and extra news you can use! RSVP coordinates social activities and invites RSVP volunteers to join in the fun.

Secondary insurance

It doesn't happen often, but when it does, the results can be serious...a volunteer is injured, or injures someone else, while performing his or her volunteer duties. One of the benefits of volunteering with RSVP is that you are provided insurance protection in case these things happen to you.

There are three kinds of coverage:

1. *\$50,000 Excess Accident Medical Coverage*
2. *\$2,500 Life Insurance Coverage*
3. *\$500,000 Excess Volunteer Automobile Liability Insurance*

Appreciation events with Service Awards

Service Awards, presented annually, give formal recognition and thanks to volunteers for their efforts. This can benefit volunteer stations that cannot otherwise recognize their volunteers.
