WHEN REQUISITED

I am the installer or owner of a mobile home or park trailer which is being permitted for set up in Polk County. As installer or owner, I am assuming responsibility for providing the skirting required by the Polk County Land Development Code (LDC). I recognize that a separate skirting permit is required (Owner) and the cost of obtaining this permit is $85 dollars. Furthermore, I am aware that power will not be released to the permitted property until the skirting inspection is completed with a “passed” inspection result.

I installer understand that the LDC requires that mobile homes and park trailers be skirted, and that this unit will be checked within sixty days after set up inspection approval, to assure that this requirement has been met. If skirting, in conformance with the LDC, has not been provided at this time, code enforcement action may be taken (owner), including suspension of my permitting privileges (installer and owner) until the skirting has been provided and the Mobile Home Certificate of Occupancy has been issued.
