**SECTION 4.302 RELATIONSHIP OF ELEMENTS**

However, in the application of this Plan to specific issues and situations certain Plan sections and policies may become more significant and apply more directly to that specific case.

**SECTION 4.303 ADMINISTRATION AND INTERPRETATION**

A. **ADMINISTRATIVE INTERPRETATION:** During the course of administering the Plan it may be necessary for County personnel to interpret the objectives, policies, and maps of the Plan as they relate to specific applications for development approval, or as they relate to a proposed activity of the public sector. It shall be the responsibility of the Land Development Director to resolve interpretation of conflicting objectives, policies, and maps and disputes regarding the interpretation of provisions of the Plan with a written "administrative decision", and maintain a permanent record of decisions.
The objective of any such interpretation shall be to obtain a result which maximizes the degree of consistency between the proposed development or public sector activity and this Plan, considered as a whole. Administrative decisions shall be binding only upon the specific case for which the decision is issued. However, interpretive decisions shall be consistent and non-arbitrary. Any such administrative decision shall be subject to "interpretation appeals" as described in Section 4.303-B (below).

B. INTERPRETATION APPEALS: Any person aggrieved or adversely affected by an administrative decision made by the Land Development Director shall be entitled to a review of the decision by the County Manager by filing an application for hearing with the Land Development Director within 7 calendar days of the administrative determination. A final decision of the appeal is rendered by the County Manager. The County Manager shall have 30 calendar days to respond to appeal requests.

The County Manager shall have the final responsibility for interpretation of this Plan. The County Manager shall have the authority and duty to weigh the relative importance and relevance of various Plan elements, sections, goals, objectives, and policies. Interpretive decisions by the County Manager shall include findings of fact. A written record of these findings and the final decision shall be made available to the appellant.

C. DEVELOPMENT ORDERS: Decisions of the Board with respect to any development order shall be presumed to be consistent with the Polk County Comprehensive Plan. Formal, written findings shall not be required with respect as to whether a development order is consistent with the Plan. No decision of the Board shall be overturned on the grounds of consistency with the Plan unless a court of competent jurisdiction determines that it is not at least fairly debatable that such decision is consistent with the Plan.

SECTION 4.304 MONITORING

The Comprehensive Plan shall be monitored on a continuous basis, and shall include:

A. continuous monitoring, by the Land Development Division, of the data and analysis on which the goals, objectives, and policies (GOPs) and maps are based; with recommendations being presented to the Board of County Commissioners, no less frequently than once every two years, to amend and/or add new GOP's and maps to reflect needed modifications due to changing County conditions;
