Non-Conformance to Solicitation Conditions: Services not delivered as per delivery date in this continuous service and purchase order may result in vendor being found in default, in which event any and all re-procurement costs may be charged against the defaulting vendor. This non-conformance to continuous service conditions may result in immediate cancellation of the purchase order.

Assignment: Any purchase order issued pursuant to this continuous service and the monies which may become due herein are not assignable except with the prior written approval of the Procurement Director.

Disputes: In the event of any doubt or difference of opinion as to the methods provided herein, or the level of performance rendered, the decision of the user department/division director shall be final and binding on both parties.

It includes, but is not limited to fire, flood, earthquakes, storms, lightning, epidemic, war, riot, civil disturbance, sabotage, and governmental actions. Neither party shall be excused from performance if non-performance is due to forces which are reasonably preventable, removable, or remediable and which the non-performing party could have, with the exercise of reasonable diligence, prevented, removed, or remedied prior to, during, or immediately after their occurrence. Within five (5) days after the occurrence of an Event of Force Majeure, the non-performing party shall deliver written notice to the other party describing the event in reasonably sufficient detail, along with proof of how the event has precluded the non-performing party from performing its obligations hereunder, and a good faith estimate as to the anticipated duration of the delay and the means and methods for correcting the delay. The non-performing party’s obligations, so far as those obligations are affected by the Event of Force Majeure, shall be temporarily suspended during, but no longer than, the continuance of the Event of Force Majeure and for a reasonable time thereafter as may be required for the non-performing party to return to normal business operations. If excused from performing any obligations under this Agreement due to the occurrence of an Event of Force Majeure, the non-performing party shall promptly, diligently, and in good faith take all reasonable action required for it to be able to commence or resume performance of its obligations under this Agreement. During any such time period, the non-performing party shall keep the other party duly notified of all such actions required for it to be able to commence or resume performance of its obligations under this Agreement.

Unauthorized Alien(s): The vendor agrees that unauthorized aliens shall not be employed nor utilized in the performance of the requirements of this solicitation. The County shall consider the employment or utilization of unauthorized aliens a violation of Section 274A(e) of the Immigration and Naturalization Act (8 U.S.C. 1324a). Such violation shall be cause for unilateral termination of this Agreement by the County. As part of the response to this solicitation, the successful vendor will complete and submit the attached form “Affidavit Certification Immigration Laws.”

Stat., "Employment Eligibility," as amended from time to time. This includes but is not limited to utilization of the E-Verify System to verify the work authorization status of all newly hired employees, and requiring all subcontractors to provide an affidavit attesting that the subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. Any challenge to termination under this provision must be filed in the Tenth Judicial Circuit Court of Florida no later than 20 calendar days after the date of termination. If this contract is terminated for a violation of the statute by the Contractor, the Contractor may not be awarded a public contract for a period of 1 year after the date of termination. Additionally, with 30 days written notice, the County reserves the right to remove a vendor from the rotation due to poor quality, excessive delays in work completion, or other factors which may contribute to poor execution by the vendor.**
- 4. The vendor must have been in business a minimum of two (2) years.**
- 5. All vendors agree to include all transport costs (wrecker) both for pick up of the damaged vehicle and delivery (return) of the repaired vehicle at the conclusion of the work.**
- 6. Three (3) references must be included with the submittal information. The list must contain the client's name, address, phone number, and email address. Reference letters may be included.**
- 7. Vendors should presume all costs for damage repairs will be the sole responsibility and therefore paid by, Polk County, not an insurance company. Consequently, as opposed to the standard "Crash Book" parts prices, all parts quotations should be made at the vendor's customary billing rate to Polk County, which is expected to be less.**
- 8. The County reserves the right to provide parts to the selected vendor.**
- 9. Successful Vendors will be expected to complete a Vendor Damage Repair Commitment form (Attachment "A") for each vehicle repair and vendor will be held accountable for out of service time. If the vendor fails to meet their committed repair time for reasons other than those outside the vendor's control, the County may penalize the vendor \$25.00/day (exclude holidays & weekends) for each day beyond the vendor's own commitment until the vehicle is returned to service. The penalty will be deducted from the vendor's final invoice. If the vehicle is returned to service sooner than the mutually agreed upon commitment, the vendor will be paid a bonus of \$50.00/day (exclude holidays & weekends), for each day less than committed. The bonus will be added to the vendor's final invoice. The commitment clock will begin at 8:00 A.M. on the next business day following notification of the repair award.**

10. The County reserves the right to competitively audit estimates and repair commitment times. This audit may be accomplished using independent adjusters, competing body shops, Mitchell, or any other means determined by the County.
11. The County reserves the right to have (2) estimates completed from any of the vendors on the rotation list and choose the most reasonable estimate.
