The Government Finance Officers Association of the United States and Canada (GFOA) presented an award of Distinguished Budget Presentation to Polk County, Florida for its annual budget for the fiscal year beginning October 1, 2020. In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communications device. The award is valid for one year. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

HOW TO USE THIS BUDGET DOCUMENT

Format of the Budget Document

The annual budget document is designed to serve several purposes to meet the needs of various interested groups and citizens in Polk County. Primarily, the body of this book has been prepared to provide the Board of County Commissioners with a budget for consideration and adoption in conformance with Florida Statutes. However, in an effort to present much more than “just numbers,” the County Profile, Budget Process and Policies, and Executive Summary add information to present the budget as a policy document, financial plan, operations guide, and communications device. This document is provided in a user-friendly format with commonly understood terminology, where possible.

Recognizing that not everyone will want to read the entire budget book, the following description of each section is presented to guide the reader to particular areas of interest.
