## SUMMARY OF SERVICES AND FACILITIES <br> Fiscal Year 22/23

While there is no statutory limitation on the amount of debt that can be incurred by Florida counties, the relationship between debt and debt capacity is, perhaps, best demonstrated by bond ratings. Polk County's latest rating was Fitch AA and S\&P's AA+.

The following list provides information on the active long-term debt outstanding included in this program. The last section of this program details Polk County's Debt Service for the next ten years.

Promissory Note 2020 A (23800): On April 21, 2020, the Board adopted a resolution to secure a bank loan to fund a financial system upgrade, four fire stations, the Northeast Government Center and the Tax Collectors Facility project, Northeast Regional Park improvements, and defibrillators. Annual debt service payments are to be made through April 2035. Interest is approximately $2.20 \%$. The outstanding balance of this Promissory Note as of September 30, 2022 is $\$ 25,389,900$

Public Facilities Revenue Refunding Rev Note, Series 2015 (23700): On November 3, 2015, the Board adopted a resolution to refinance a portion of the 2006 Constitutional Fuel Tax Revenue Refunding debt to take advantage of lower interest rates and borrowed $\$ 18,157,000$. The outstanding balance as of September 30, 2022 is $\$ 9,945,000$. Annual debt service payments are to be made through December 2027. Coupon interest is approximately $2.14 \%$. The Revenue sharing revenue from the state serves as both collateral and a source of funds for the issue.

Public Facilities Revenue Refunding Bonds, Series 2014 (23500): In FY 13/14, the Board approved a resolution authorizing the partial refinancing of the Public Facilities Revenue Bonds, Series 2005 (23000). The original debt proceeds were for the purpose of financing the planning, engineering, acquisition, construction, and expansion of certain jails, public safety, and operational facilities of the County. The outstanding balance of this $\$ 71,510,000$ bond issue as of September 30, 2022, is $\$ 56,105,000$. Annual debt service payments are to be made through December 2036. Interest is approximately from 3.00 \% to 5.00 \%. The Revenue Sharing Money serves as both collateral and a source of funds for the issue.

Promissory Note 2020 C (24000): On May 19, 2020, the Board adopted a resolution authorizing the refunding of all the County's Series 2020 Capital Improvement Bonds and 2020 Transportation Bonds to Promissory Note B with the option to execute tax exempt Promissory Note C after September 2, 2020. This refunding results in savings of principal and interest payments. The outstanding balance as of September 30, 2022 is $\$ 36,985,000$. Annual debt service payments are to be made through December 2030. Interest is approximately $1.95 \%$. Local Government Half-Cent Sales Tax and Second Local Option Gas tax serve as collateral for this debt.
