RFP 23-618, Engineering Services for the Dewatering Improvements to the Northwest and Southwest Regional Wastewater Treatment Facilities

ADDENDUM # 2

QUESTIONS AND ANSWERS

Question 1: Would we be able to reuse the Survey of Past Performance form from a prior RFP submittal?

Answer 1: You may use a previously submitted Survey of Past Performance if all the questions ask in the survey are the same as this RFP and the scope of work is for similar type services as this RFP.

Question 2: What type of solicitation do you plan on doing for the construction portion of this project?

Answer 2: The County has not yet decided the procurement method for construction.

Question 3: Will there be work needed at the Northeast facility and the Sunray facility?

Answer 3: There is a possibility that work will be needed at those locations. It has not been determined at this time.

Question 4: Would you want to use new units at the sunray facility or use the units from the other facilities?

Answer 4: This will be determined later into the project.

Question 5: Can we provide the requested schedule separate from the 4 page limit allotted for the approach?

Answer 5: Yes.
