### **Questions and Answers**

Q1: Do we have to bid on both extractors and dryers?

A1: No, you may bid on only one of the two (2) items. Award will be made based on low, responsive bid for each item.

Q2: Our gear dryers only dry one set of gear at a time. How would you like for that to be displayed on the bid?

A2: The bid sheet only requires the unit price and extended price for units meeting specifications. No further information is needed.

Q3: How many gear dryers will each department/station need?

A3: Each location only requires a single unit.
