Question 1: Will Polk County accept “Blanket” Additional Insured Endorsements?

Answer: Polk County can accept a blanket additional insured endorsement. However, Polk County would need a certificate of insurance (COI), stating “Polk County is an additional insured via blanket policy endorsement, as required by written contract”.

Question 2: Pages 31 & 32 of the bid package states, “The successful vendor shall purchase and maintain in force during the contract period the insurance as specified with an insurer licensed to do business in the State of Florida” and “Bidder is insured with a company licensed to do business in the State of Florida”, respectively. Can you strike “licensed”, and input “approved” insurer.

Answer: Yes, we will accept an insurer licensed or approved to do business in the State of Florida.
