Addendum # 3

Question 1: Page thirty-five (35) of the bid package notes the “period of performance for this bid is from the date of award through April 30, 2024”. Can this be corrected to reflect the first year’s period of performance?

Answer: The period of performance for this bid is from the date of award through April 30, 2025. This bid will automatically renew, extending the Termination Date, for two (2) one (1) year periods, unless otherwise terminated in accordance with General Information Items #14 and #15. If the County provides notice to the Vendor at least 30 days prior to the Termination Date that it has not put in place a new bid for the goods, then this Bid shall remain in effect on a month-to-month basis until terminated by written notice from the County Procurement Division to the Vendor, but not longer than four (4) months following the termination date.

Question 2: Why is it necessary to complete the bid package documents in blue ink?

Answer: Any color of ink may be used when completing the bid package.
