RFP 24-273, Professional Architectural & Engineering Services for Polk County Utilities Division Northeast Regional Warehouse-Operations Building/Fleet Campus

Addendum #3

Question 1: What percentage of the facility will be for Fleet Maintenance?

Answer 1: It is anticipated that 10% or less of the proposed facility will be used for Fleet Maintenance.

Question 2: The RFP package mentions this project will need to coordinate their design to avoid conflicts with the Northeast Regional Wastewater Treatment Facility improvements? Has it been determined how the parcel will be split?

Answer 2: The final design for the Northeast Regional Wastewater Treatment Facility improvements has not yet been established. However, it is anticipated that approximately the southern half of the 10-acre parcel will be available for the Warehouse-Operations Building/Fleet Campus.
