RFP 24-381, Acquisition Services

Addendum #1

Question 1: The RFP asks respondents to include a project schedule (Tab 3 of response requirements) with responses. Since this is a task-based contract without defined projects, can you clarify what the County is looking for here?

Answer 1: Referenced Tab 3 is dealing with an “approach” to a project, the County is looking for a typical schedule of tasks for an average project.
