IMPERIAL LAKES BLVD DRAINAGE IMPROVEMENT PROJECT - ARP
ADDENDUM #3

Question 1: Will the hauling trucks be subject to being weighed before or after each load?

Answer: Yes, fill material excavated from the pond site will need to be weighed at the County's North Central Landfill scale house before and after unloading.

Tipping fees for the excavated fill material will be waived. This process will be discussed with the lowest responsive bidder at the pre-construction meeting.
